## Petroleum User Group Conference

Houston Marriot Westchase  
February 22-24, 2010

TeachMeGIS is a **GOLD SPONSOR** at the PUG this year. Join us this year and stop by our booth (#208) for more information about upcoming courses!

26	27	28
Editing	Desktop III	Desktop III GPS & ArcPad

Courses are now scheduled through June 2010. Visit our website to see a **complete schedule**.

## Courses Using YOUR Data!

We are proud to announce new customizable courses available for your company or industry.

1-day Fundamentals of ArcGIS—Using Existing Maps  
2-day Intermediate GIS Concepts— Collecting, Creating and Analyzing data with ArcGIS

These courses can be customized using your company's data!

We also can customize based on your industry:

- Petroleum
- Engineering
- Local Government
- Police / Fire / Emergency Response

## Keep Learning After the PUG

Come join us after the PUG for a couple of courses we've developed with the petroleum industry in mind.

Spatial Analyst for Petroleum —Thursday, Feb 25

Introduction to 3D Analyst — Friday, Feb 26

## Training Specials through March 2010

### Private Classes

- Schedule **any 2 days** of private classes and get **\$1000 off**
- Schedule both **ArcGIS Desktop 1 and ArcGIS Desktop 2** as private classes and get **\$2500 off**
